MEMORAHIUK FOR: CHIEF OF STAFF, UNITED STATES AIR FORCE

SUBJECT

Central Intelligence Agency Participation in Service Schools

- l. The Central Intelligence Agency currently maintains small numbers of selected career GMA officers as full-time students in the courses of instruction of various Department of Defense celleges and schools, including the Matienal War College, the Maval War College and the Strategie Intelligence School.
- 2. For obvious reasons it is important to the intelligence mission that this participation with the Department of Defense now be broadened if at all passible. Accordingly, I request that the Central Intelligence Agency be granted permanent quotas for one student at the Air War College and one in the Associate Intelligence Course, Air Cormand and Staff School.
- 3. I hope you will agree that this proposed broadened association of the Department of the Air Force and the Central Intelligence agency will prove mutually beneficial.
